FROM THE DIRECTOR

Calendar Committee

We had five parents express interest in serving on the calendar development committee. We held a drawing for the two slots and Sabrina Goebeler and Beth Jacquot were the first two names pulled with Vanessa Van Valin as alternate.

We will be scheduling a meeting as soon as it is feasible. If you have issues you would like to have considered, please let me or one of the committee members know.

Weather Make-up Days

"Ole Man Winter" is still huffing and puffing so we are going to start taking days from the April Break. We want to keep a long weekend, especially for those who have already made unchangeable travel plans. We will take Friday, April 9, Thursday, April 8, and Wednesday, April 7 in that order. This will leave Monday and Tuesday of that week as holidays.

Saturday School

We will be scheduling some Saturdays as weather make up days. These days will be after the threat of bad weather has passed (as best we can figure). Please make plans to have your child(ren) attend. This is more than making up days to satisfy the state requirements, we are committed to making up good, solid instructional time, too. These make up Saturdays will be academically rigorous and missing them will result in missed instruction for your child(ren).

MARK YOUR CALENDARS FOR THE TRCS ART SHOW AT BLOWING ROCK GALLERY AND FRAMEWORKS

DO YOU HAVE SEWING SKILLS AND SOME FREE TIME ON YOUR HANDS?

If you think you could take on the task of making a 'weighted vest' contact the PTO for more info.

This is an item that is on Jo and Sally's wish list. They are fairly expensive but, could be easily made by the right person.
