The new art display in the office is showing work by Lee Williams and Becky Bradshaw in 8th grade, Dakota Westbrook in 5th grade, Landrum Redman, Megan Lewis, and Sadye Franklin in 2nd grade, and Jimmy Brown in 1st grade.

The 6th grade also has work on display in the hallway of the main building. The project they did is a combination of poetry and collage. Come and check it out.

TWO RIVERS ALMOST MAKES A CLEAN SWEEP!

All of TRCS second grade students entered the Boone Water Department poster contest. The contest is aimed to help students understand what it takes to ensure safe drinking water and how to protect this natural resource. This years theme was Water: Protect, Collect, Conserve. Nine Watauga County Schools Participated. Students completed their posters as a homework assignment. They all put a lot of effort into their poster and did their personal best and it PAID OFF!

Congratulations!!

FINAL DAY OF SCHOOL

VOLUNTEER HOURS-- PLEASE HELP US!

As you know our End of Grade testing begins on May 13, 2009 and we will be testing every day until the end of May (except Memorial Day). Every testing session must be attended by a Proctor and we call on the parents, guardians, and friends of Two Rivers Community School to fill these important positions. Testing cannot proceed without proctors, as mandated by the state. We need at least three proctors per day--that's a lot of spots to fill!

Proctoring is a great way to make up or add to your volunteer hours. You will know the exact date and time you are needed so that it's easy to work into your schedule. Amy Williams has agreed once again to take on the task of scheduling proctors. Please call her and sign up early. Her phone number is 297-6175.

We appreciate so much all the generous help we receive from our caring volunteers. It's what makes our school a real community.
